United Way of Thurston County seeking Community Investment volunteers

United Way of Thurston County is recruiting individuals to evaluate nonprofit organizations' grant requests by serving on a Community Investment Committee from March-May, 2010-12.

This year, volunteers will review proposals and hear presentations from organizations requesting grants for local health and human services programs. Volunteers will then make funding recommendations to United Way's Board of Directors. During the 2011-12 funding year, volunteers will monitor programs' progress towards goals by evaluating bi-annual progress reports.

Grants will be awarded to programs addressing the areas of Education, Income and Health.

The deadline to apply to volunteer is February 15, and orientation and training will be provided. For more information, contact Stephanie Blumhagen at 360.943.2773 x11 or sblumhagen@unitedway-thurston.org.

United Way of Thurston County currently funds 56 programs at local nonprofit organizations.
