UNITED WAY SMALL BUSINESS PARTNERS

Small businesses play a critical role in maintaining a thriving local economy. You are no less important to the success of United Way, as we endeavor to improve lives through our work in education, income, and health. Our Small Business Partners are an important, growing family of donors, who are vital to helping us meet the needs of our community.

By amortizing your gift over 12 months, we make it simple and affordable for small businesses to assume a place of leadership in our community. In turn, you are dually recognized as an individual donor, and as a corporate supporter.
